

WHAT YOU WILL LEARN

If you like being part of decision-making processes, and are interested in organizational culture and interpersonal dynamics, the two-year Business Diploma with a management specialty will appeal to you. Business management is many things – efficient management of people, effective organization of resources, and strategic planning for growth.

You'll develop knowledge and skills in management, leadership and decision making, interpersonal and organizational behaviour, finance and managerial accounting, international business and e-business, entrepreneurship, retail strategy development and relationship selling.

This diploma program is almost entirely transferable to the University of Saskatchewan or University of Regina to complete your degree, if you wish to pursue that option.

ENTRANCE REQUIREMENTS

- Secondary Diploma equivalent to a Saskatchewan Grade 12 - minimum 60% average, with no marks less than 50%
Students must have the equivalent of a Saskatchewan Grade 12 level math. Commerce stream students from India are also eligible.
- Minimum English Language Requirement- International English Language Testing System (IELTS) overall minimum score of Band 6.5 with minimum of 5.0 in each component.
